

The Consoling Sisters of the Sacred Heart need...

...a new church!

Since 2014 the Motherhouse is getting smaller and smaller, due to the influx of the faithful and the increase in vocations.

The apostolate (care for the elderly, school, catechism for children and adults, conferences, etc.) is ever growing, and to meet the needs of families we need new buildings and a large church.

This project will greatly ease the Novitiate, which needs deeper recollection for good formation.

Volunteers of all ages at work

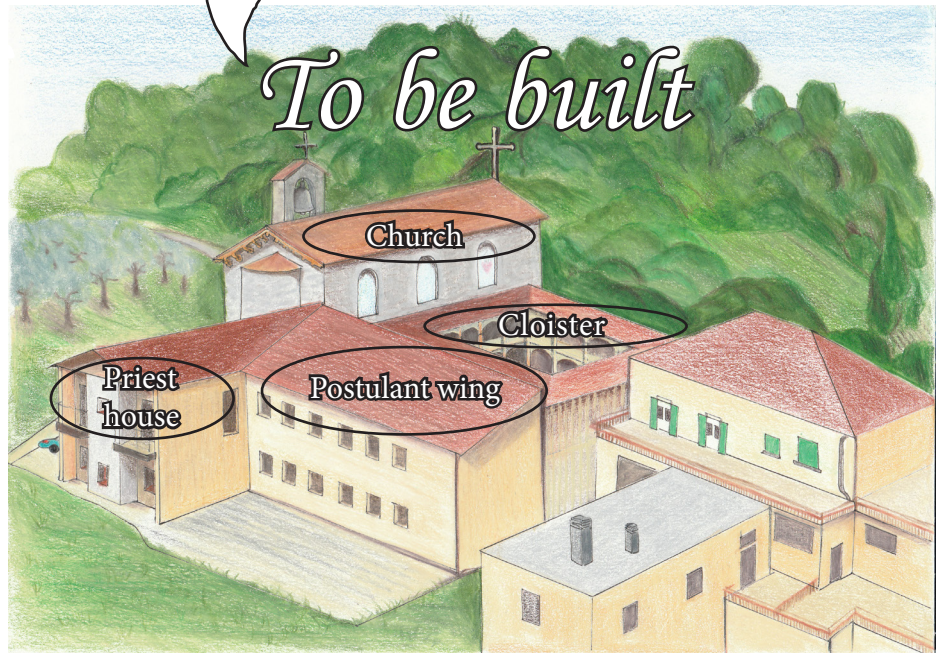

The new church will be here!

Construction costs will be approximately 3,000,000 euros, barring unforeseen difficulties.

To be built

Help us make this project a reality with your prayers and donations. Our Lord in His infinite Providence will fill you with heavenly graces and blessings!

St. Joseph will richly reward you for your generosity!

The Virgin Mary will place you in Her Immaculate Heart to defend you from all the dangers of life!
